Discontinue Notice of TFT-LCD (CCFL Products)

Dear Customers,

We appreciate your support for Kyocera Display Industrial TFT-LCD and we are proud to be part of your successful business.

Due to the Cold Cathode Fluorescent Lamp (CCFL) backlight being discontinued by the manufacture, we have no choice but to discontinue these products. The detail is as follows.

1. **The object products:** *Please see attachment about details.

- TFT-LCD with CCFL backlight

2. **Reasons for this Discontinue:**

Reflector material of CCFL is discontinued, we cannot get alternative one to keep same optical performance.

3. **Schedule**

- Last Time Buy date: Dec. 21st, 2012
- The final shipping date: The end of December, 2013

4. **Attachment**

1) Cross Reference table of Discontinue Products and Successor Products

Your understanding & cooperation in this respect would be greatly appreciated. Should you have any questions, please contact your KYOCERA Display America sales representative.

Sincerely yours,

KYOCERA Display America, Inc
