

# AF 320

## About item

1. **Healthier Frying:** "Healthy fried dishes" are now a reality thanks to the 5 Core air fryer. A **temperature range of 200–400°F** enables you to cook at the temperature you like while using at least **98% less oil than conventional fryers** to produce a **healthy, crispy, fried finish**. This instant pot air fryer **uniformly crisps every inch of your food** as it air fries vegetables, pizza, frozen items, and leftovers.
2. **Space-saving basket:** This airfryer has a prime location on countertops because of its **elegant, rounded shape and matte black finish**, all while remaining **small and convenient to store**. The **2-in-1 tank & basket** in this instant pot fryer is **ideal for any tiny kitchen, dorm, office, RV vacation**, and more since it offers **large capacity** with a little footprint, conserving room on your counter and in your cabinet.
3. **User-friendly & hassle-free operations:** The inbuilt timer on the **Touch Display** makes it simple to air-fry everything. You won't have to worry about overcooking with this air fryer because it will **turn off on its own after the timer expires**. This instant pot air fryer also **features an adjustable temperature setting to ensure 100% quality**.
4. **Easy clean:** Cleaning this airfryer is **convenient and easy** because the **3-liter non-stick basket is dishwasher safe**. Use gentle sponges and rags to wash the air fryer by hand to keep it in top condition. NOTE: [The air fryer is NOT a fan of abrasive sponges like brillo pads!]
5. **Enjoy healthy food all time:** Air fry guilt-free with up to **80% less fat** than the traditional frying method- as **tested against deep-fried french fries, hand cut**.

## Air Fryer Description

Introducing 5 Core instant pot air fryer, the guilt-free way to enjoy **crispy, flavored dishes** with **up to 80 percent less fat** than traditional frying methods. ## Frequently Asked Questions & Answers About Air Fryer

**Question:** Can I defrost?

**Answer:** Yes, you can do that easily.

**Question:** Is there any preset?

**Answer:** There are 11 presets available in this Accessible Touch Display control.

**Question:** How do I clean my Air fryer?

**Answer:** The basket and other removable parts of the air fryer can be washed in warm soapy water or a dishwasher. The outside of the air fryer can be wiped with a damp cloth.

**Question:** How much oil should I use in an air fryer?

**Answer:** Depending on the recipe and your personal performance, you can use as little as a tablespoon of oil or none.

**Question:** How does the air fryer work?

**Answer:** The air fryer is a kitchen appliance that uses convection heat to cook food with hot air instead of oil, making it a healthier option for frying foods.
