

MR 8 BLT R 4oHM

About 5 Core 8 Inch Subwoofer

1. **PRO AUDIO ON WHEELS:** 5 Core **premium MR series subwoofer** is a mid range car speaker solution for **shallow doors**, featuring an **Aluminum phase plug**.
2. **POWER YOU CAN COUNT ON:** The 8 inch speakers deliver **580W Max power** with **190W RMS** at **4 Ohms**, suitable for a full range of audio.
3. **SOLID STRUCTURE:** The "bullet" phase plug on **8 inch midrange speakers** made of pure aluminum serves as a radiator cooling system, allowing for **loud and clear audio** without sacrificing quality and performance.
4. **UPGRADE YOUR SYSTEM:** Upgrade your stock stereo with **8 inch door speakers** and take your system to the next level with a true midrange speaker that offers everything you need.
5. **COMMITMENT TO QUALITY:** Customer satisfaction is our priority—a proven track record of delivering the **highest quality product** since 1984.

Product Description

5 Core 8 inch subwoofer car speakers aim to **deliver serious sound pressure levels**. The new MR series is **built for efficiency and power handling**. The mid-range speakers are shallow and sleek, yet they **deliver an impressive output** and **enhance the audio** listening experience.

The door speakers' mid-bass driver complements the bullet tweeters' **crisp highs** with perfect power handling and output balance. **High-strength**, stamped steel frames anchor the mid-bass drivers, featuring **lightweight blended pulp cones**, a corrugated surround, and **oversized magnets** that result in **high sensitivity**, excursion, and power handling.

Features

Powerful audio

Hear the difference

8" car speakers
