

<b>Product Change Notice</b>		Date: November 16, 2017
<b>Product</b>	Consolidation of select variants of Digi TransPort and Accessories	
<b>Notice Number</b>	171117	

<b>Audience</b>	All Cellular distributors
-----------------	---------------------------

<b>Product Notice</b>	<p>In an effort to consolidate skus and improve efficiency, Digi is simplifying its product offering by migrating select skus to a common variant which does not contain accessories. Most accessories continue to be available separately or can now be purchased as a kit.</p> <p>In addition to this migration, we are also eliminating 3G variants within our WR44R and WR44RR product lines and transitioning them to our more current 4G LTE variants.</p>

<b>Timing</b>	Last-Time-Buy (LTB): February 16, 2018 Last-Time-Ship (LTS): March 30, 2018
---------------	--------------------------------------------------------------------------------

<b>Action Required</b>	Resale partners are instructed to remove EOL SKUs from their fulfillment systems and migrate to the replacement skus listed below.
