

PCN - 11 057

Issue Date: June 21 2011

Product Name:	Smartcard E Series TMT connectors		
	Smartcard E Series TMT connectors		
Product Manager:	HIRAN NAMBOOTHIRI		
Subject:	Product Change Notification		
Distribution:	Global		
Type of Change:	Materials Change		
Change Description:	<p>Currently the E series (E02 & E05 type) TMT versions use a Grey color trolley part and the SMT versions use a black color trolley part. In order to have better inventory management, it has been proposed to standardize the E series trolley material to black color. Consequent to this change the trolley part of E series (E02 & E05 type) will be standardized to Black color. Please find below the details.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>Trolley part in reader</p> <p>Present TMT connector</p> </div> <div style="text-align: center;">  <p>Trolley part in reader</p> <p>TMT E series with proposed black Trolley part</p> </div> </div>		
Reason for Change:	In order to have better inventory management, it has been proposed to standardize the E series trolley material to black color.		
Affected Parts:	List attached		
Effective Date of Change:	September	21	2011
