Product Change Notification

We are writing today to inform you that we will make some changes as shown in the subject for the reason described below.

We will announce them in advance.

1	Products affected	Please refer to the attachment.
2	Replacement product	There is no change in product code and product name.
3	Classification of change	Change of production site
4	Changes	Regarding the target products we are producing at the Dongguan factory, we will produce at the factory in Indonesia in the future. This is a change of production site. This change will not affect appearance and performances of the products.
5	Reason for change	The current Chinese plating supplier was hit by a fire on April 22 and was unable to produce. Therefore, we will give top priority to the smooth supply of products, and will change the production location to the Indonesian factory, which is producing the same series as the target products.
6	Schedule of change	It will be changed sequentially from June 19, 2021.
7	Date of your acknowledgement	June 18, 2021

We kindly request that you inform your Hirose business representative of your acknowledgement by the aforementioned date.

In the absence of a response by this date, please be advised that the replacement product described above will be delivered.

If you should have any questions, please feel free to contact a Hirose business representative.

Your understanding and cooperation are highly appreciated.
