**Subject:**

This is to inform you that effective immediately, Honeywell will no longer offer the part numbers outlined in the Excel document enclosed, due to low volume. There is no last time buy option available for these parts.

Honeywell values its customers and realizes that this product obsolescence may require new platform validation. We want to work with you to make this a smooth transition to your new platform.

If you have any questions, please contact your Honeywell sales consultant, your sales representative for Honeywell products, or me.
