## Update iSYS-6030

Dear Sir and Madame,

we would like to inform you about the latest update of our iSYS-6030.

The iSYS-6030 supports now also the RS485-interface.

The attached Application-Note\_RS458\_rev2 explains the configuration as well as the operation of the RS485-interface. The document is also part of the Software package that can be downloaded from our webpage.

With kind regards

**Christian Bömmel**
