Product Revision

Other

Description of Change:

All SynJet ZFlow 65 Coolers will no longer have the bright white and blue SynJet logo sticker. These parts will now have a matte logo molded into the plastic lid as shown in the photo below.

Figure 1. Pre change parts with the blue and white SynJet sticker.

Figure 2. After PCN change parts with the matte logo embedded into top of the SynJet.

The information contained in this document is PROPRIETARY to Nuventix, Inc. and shall not be reproduced or used in part or whole without Nuventix' written consent.

Customer Impact from Change:

The part numbers in the table below have been modified to the embedded logo. This revision is being implemented as a running change. All existing inventory will be used. The part numbers will not change.

Based on today's forecast and run rate, production after June 30, 2012 will be with the embedded logo. This date is subject to change based on demand changes.

Last Order Date (for Discontinuance only):
