Product Change Notification

PCN-MI-4196-2019

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
MI - Marking and Installation	BG3	Product Change Notification	Notify Distributors and Field	8/16/2019

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The crimper in the Crimpset 6, the CRIMPFOX 6T will be replaced with the CRIMPFOX DUO 10. This will result in a functional extension of the hand crimping pliers, with the use of ferrules 24-8 AWG single wires, or 2x20 - 2x12 AWG twin ferrules, instead of the previous 10 AWG limit. With the CRIMPFOX DUO 10 in the CRIMPSET, there will be the option of rotating the crimping die and crimping the conductor from the side or the front. The benefits of the CRIMPSET for the user are therefore being improved.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

Transaction Dates

Date modification goes into effect from Germany:	1/1/2020
Expected first shipment (from Phoenix Contact) of the modified products(s):	1/1/2020

Product Change Notification

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
