<tbody>
<tr>
<td>GN25L95-QFN-TR</td>
<td>☑ N/A</td>
</tr>
</tbody>
</table>

**Description, Purpose and Effect of Change:**
- Semtech Corporation is notifying in advance its customers of our intent to make the following Product change affecting the part number listed above. Details of the change are as follows;
- As part of Semtech’s ongoing security of supply program the GN25L95 has been chosen to have a second source for wafer manufacture. This will add an additional wafer fabrication facility within our current supplier and will use the same process technology as the existing fabrication facility.

**Impact to Data Sheet**
- ☑ Yes  ☑ No

**Impact to Performance, Characteristics or Reliability:**
- Performance and characteristics of this product will remain the same.
- Reliability is expected to be unaffected; A Qualification and Characterisation exercise will be undertaken to demonstrate this.

**Target Implementation Date**
