

Product Change Notification

TE Connectivity

Product Change Notification: E-19-005574

PCN Date: 10-APR-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
AMPLIMITE Vertical 9p Receptacle Assembly

Description of Changes
The part number and date code marking is being added back on the part.

Reason for Changes:
Document Clarification. The marking was inadvertently left off the production drawing during the last minor engineering change. Note the customer drawing has always had the marking called out.
