Product Advisory #1452 VL-EPMs-21a, b, g (Ocelot)

This is a formal notification that products supplied by VersaLogic Corporation are being discontinued. Our records indicate that your company has purchased one or more of these products in the past.

Please read this notice thoroughly to determine what impact this change may have on you in regards to your future purchases from VersaLogic.

Affected Products

VersaLogic Part Number	Change	Customer Options
VL-EPMs-21a	Product End of Life (EOL)	Contact VersaLogic Sales for migration options and last-time buy information
VL-EPMs-21b		
VL-EPMs-21g		

Details

VersaLogic is discontinuing the VL-EPMs21a, b, and g “Ocelot” single board computers. Key components used on these boards have been discontinued by their manufacturers. There are no second sources or alternate parts for these components.

Customer Impact

These products will be subject to a product transition period, during which pricing and availability will be affected, as described below. Please contact [VersaLogic Sales](#) to discuss products that might provide a suitable migration path.

Product Transition Period

VersaLogic will provide a product transition period for these products as follows.

- **Inventory:** Off-the-shelf availability will be maintained through September 30, 2014.
- **Existing Orders:** Orders placed before the date of this product advisory are not affected by this product EOL.
- **Future Orders:** Orders received on or before September 30, 2014, which are non-cancelable, non-returnable (NCNR), will receive guaranteed delivery per the customer’s schedule. Orders placed after September 30, 2014 will only be accepted subject to product availability.
- **Pricing:** Pricing for orders placed by September 30, 2014 is guaranteed at current levels. Pricing for orders placed after September 30, 2014 will be based on availability and market conditions.
- **Delivery:** All deliveries must be taken by December 31, 2015.
