Attachment: Yes No

DESCRIPTION AND PURPOSE OF CHANGE:

The marking method of the common mode filter will be changed. The purpose of the change is to increase the marking reliability against mechanical as well as chemical influences.

Effective date code beginning with 2015-01-12.

DETAIL OF CHANGE:

The marking method will be changed to Laser Marking. The previous ink marking will be replaced by the new laser marking. The shape and dimension of the marking remains the same. All other parameters are not affected by the change.
