### Data Sheet Change:

Yes  No

### Attachment:

Yes  No

### DESCRIPTION AND PURPOSE OF CHANGE:

In order to increase the production capability Würth Elektronik will implement an additional assembly line. All products with date code 2019-07-18 or later, will be affected by this change. There will be no change in form, fit, function, quality or reliability of the product.

### DETAIL OF CHANGE:

Neither electrical nor mechanical properties of the part will be changed. The assembly lines can be identified by the first three digits of the lot number **XXX** XX XX XXXX XXX

Lot No. of already established assembly lines:	Lot number of additional assembly line:
Lot number starting with 128 Country of Origin: Germany	Lot number starting with 344 Country of Origin: Italy
Lot number starting with 385 Country of Origin: Germany	

### RELIABILITY / QUALIFICATION SUMMARY:

The additional assembly line uses the same basic assembly technology and is released by the internal requirements of Product Management and Total Quality Management department.
