DESCRIPTION AND PURPOSE OF CHANGE:

In order to increase the production capability Würth Elektronik will implement an additional production line for the plastic housing.

Process approval is according to internal requirements released by the Quality Department and the Product Management Department.

DETAIL OF CHANGE:

1. Neither the raw material nor the raw material supplier will be changed.
2. Neither electrical nor mechanical properties of the finished part will be changed.
3. The production lines can be identified by the three digits inside the plastic housing.

Already established production line of plastic housing:

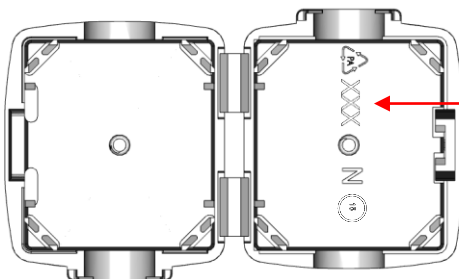

Digits: 128

Country of Origin: Germany

Additional production line of plastic housing:

Digits: 375

Country of Origin: Germany

Production Line ID

RELIABILITY / QUALIFICATION SUMMARY:

- WE Standard_5023_conditioning of polyamide components
- WE Standard_5024_drying of plastic housings
